	No new declarations of interest were made.	
5.	Approval of FGB Minutes (Appendix A & B)	
	5.1 Main minutes & confidential minutes of 25.04.2024 and 20.05.2024	
	One typo on the revenue under item no. 5 concerning minutes of 25.04.2024. The	
	clerk has noted this and amended to the correct value.	
	Both sets of minutes were adopted and Action: to be signed by the Chair.	RC

6. Matters arising not covered on the agenda

There were none.

7. HT report (Appendix C &D)

HLB delivered a verbal HT report.

Attendance monitoring – The school has started using the Government's compare your data tool for benchmarking more than they did previously. It is helpful to have an overview of the wider picture nationally and where St Michael's sits. Overall the school has 95.2% whole school attendance and this places the school in the top 30% of schools nationally.

When comparing locally the school is 107/228 – a bit above average.

The school sits in the middle when comparing persistent absence (PA). They are 143/228. There are 3 pupils in a cohort who fall into PA and this impacts the data significantly. They are all circumstances that are out of the school's control. HLB summarised the circumstances for 2 of the pupils and advised the board that the 3rd pupil has now had their school place at St Michael's withdrawn. The procedures required a certain period of time to lapse before this could happen. That time has now passed, and the pupil is no longer on roll.

TS joined the meeting at 5.36pm

Pupil Premium pupil (PP) attendance is very low and in the bottom 30% of school nationally.

The Home School Link worker is working hard to build relationships with families to support improved attendance.

HLB is also having 1-2-1 meetings with parents to try and understand the barriers and gain engagement. There has been success with one family recently.

RG joined the meeting at 5.39pm

Coffee mornings for parents of SEND pupils have been very well attended. There are plans to expand this initiative, to hold them fortnightly and widen the target group.

Parent survey

This was distributed and 84 responses have been received. This is considered a good response rate.

91% of pupils are happy at school

94% of pupils feel safe at school

95% of parents feel that the school takes well-being seriously

Communication

85% are happy with the communication of the school

15% strongly disagree that communication is good

HLB stated that in future the question will seek to understand

72% of parents agree that the school actively seeks their views.

HLB stated that St Michael's seek more opinions that any other school and was disappointed with this statistic.

Over 80% of responders felt the school listened to them and that concerns were addressed in a timely fashion.

A high number of those who responded have pupils with SEND. 93% feel the school is inclusive

83% feel the school has high expectations – however, the questions do need to quantify what category the expectations fall into as this is not clear.

92% of parents feel their child makes good progress at the school.

89% of parents feel the curriculum is ambitious and interesting

79% state that the homework is great

MINUTES TO BE RATIFIED AT THE NEXT MEETING OF THE FGB

HLB spoke about measures that are being introduced to improve the areas for improvement:

Outdoor Play and Learning (OPAL) primary programme

The school has signed up to this programme. It is based around lunchtime / playtime activities, but the principles and engagement are taken back into the classroom. The programme is evidence based and matches the ethos of St Michael's school.

De Beers have donated £5K to fund music therapy in school. This is to support pupil well-being and will fund the service for 2-3 years.

The school will use the coffee mornings to address concerns and encourage dialogue with parents.

There will be a return to in person parent's evenings. Online meetings will still be offered to those who cannot make into school but most will be face to face from now on.

All communications will go via Dojo but letters will be upload to the school website (excluding any confidential information).

Permissions are to move to google forms.

Class assemblies will be reintroduced, and parents will be encouraged into school to attend these too.

New school branded sport kit has been bought. Staff have been included in this aswell. HLB shared a picture of the kit.

Parents will be asked / invited to help with the after-school clubs. The school offers a wide range of clubs, but staff don't get paid extra to run them. The school relies on goodwill. A request will go out in the Steventon newsletter too to reach out to the wider community.

The contact details for the Student Support Assistant (SSA) will be shown under the safeguarding section of the school newsletter. If there are any volunteers to help with clubs then the SSA can allocate resource and time.

Phonics assessment – 73% of pupils reach the required standard. The multiplication tables check has been carried out but results not yet known. All data will be updated from 28^{th} June.

This term the school will focus on measuring fluency in readers and how it is taught. The 'Mega book of fluency' is used by the staff. The data is looking good so far. 85% of Years 3, 4 and 5 have achieved age expectancy standards. Those who haven't reached standards have a valid reason e.g. SEND.

Governor question – Re: Safeguarding. Volunteers coming into school to help with clubs. Will they be required to have DBS checks?

HLB explained that If they run a club then yes they will and the school will do this. If it is ad hoc then they won't but they will not ever be alone with any child / children. They will always be supervised.

Governor question – HLB spoke of safeguarding concerns around some PA pupils. Are there other PA pupils who are at a safeguarding risk?

No, there are not, their situation does not meet the threshold of need. Early help is

offered to families, but this is voluntary take up by parents and cannot be forced.

HLB informed the governors that she is meeting with the new Interim Deputy Director for Education at Oxfordshire CC. She has recently made contact to express disappointment and frustration at the increasingly poor support from OCC for SEND pupils and how they are being let down.

There is a waiting list / list of need for high needs SEND pupils. Recommendations are made by the SEND team on measures to be taken around site improvement such as fencing but there is debate and disagreement with the property team around what they will install. Lack of understanding around need.

Governor comment / support – Very much support the idea of OPAL in the school. HLB stated that they are currently trialling it with Yr5. They have the highest level of disadvantage / low engagement.

Governor comment / support – Re: Parent questionnaire. There are a lot of positives to take from the data. Even if HLB had hope for better scores / comments, receiving scores of 80% plus is actually very positive feedback and HLB should be proud of this.

Overall, less than 50% of parents replied so not all voices have been heard / engaged with this. Free text comments are not expressing the views of every parent.

Governor support – The attendance figures are looking very positive.

HLB explained that the teachers work hard to build good relationships with parents.

HLB is planning a STEM week. The aim will be to get the message out about the STEM curriculum across the whole school.

Governor question – HLB mentioned using google forms for permissions. Microsoft also have this function and the school subscribes to the MS package. Could this be tried first?

HLB agreed to this.

Governor comment / support – PS stated that he would be pleased to help and support families in need in any and he would also be happy to attend class assemblies and to reach out in his network to invite guests to talk to the children about relevant topics and school values.

- 8. Agenda item recorded under confidential minutes
- 9. Update from the Chair

No report at this meeting.

10. Governor updates since last meeting

Learning & Teaching

10.1a/b/c - Governor monitoring

There are some monitoring areas that need to be covered this term around the wider curriculum. This is a development target for HLB.

Action: HLB to circulate some proposed visit dates via Gov Hub. Governors please book some time.

HLB

ALL GOVS

Action: Governors book a monitoring visit.

Staffing / Finance

10.4. No reports this meeting

Premises (Excluding Health and Safety):

10.5 No reports this meeting

Chair of Governors	a miller	Date	11th July 2024	

MINUTES TO BE RATIFIED AT THE NEXT MEETING OF THE FGB

	WIINUTES TO BE KATIFIED AT THE NEXT WEETING OF THE FGB	
	Inclusion & Safeguarding: 10.6 No reports this meeting 10.7 Prevent training (governors) – see agenda item 13	
	10.8 Community	
	Website Review Action: TS will take on the website review	TS
11.	Distinctiveness and effectiveness of our school as a Church school HLB advised the board that the school has received a letter from the Diocese re: the academisation proposal at a cost of £500.	
12.	Policies for approval – all were shared prior to the meeting via google drive and comments / questions were invited. These were the discussion points raised.	
	Comments have been noted and actioned. There were no substantial changes. Decision - The following policies were all adopted by the board at this meeting:	
	 Toileting & Personal Care policy Health and Safety policy Administration of medicine policy First Aid policy School Visits policy Sheltering Procedure* Whistle Blowing Procedure 	
	*Action: HLB confirmed that the Annual sheltering drill will take place on Monday 8 th July.	HLB
	Complaints Policy RC advised the board that the policy to be reviewed is different to the policy published on the website. This must be addressed. RC and HLB are the most frequent users of this policy. At Governor level it is not so easy to follow. Upon reviewing both copies some gaps have been identified. The policy is not clear / smooth when dealing with complaints about the HT or the way that the HT has handled a complaint. The escalation of complaint outcomes to appeals also needs to be reviewed and adjusted. Governor comment – The policy that is published on the website is the one that must be followed. The board understood this.	
	RC proposed using an ALT policy as a model. He has taken advise from Governor Services – they have advised that the board must show they have followed the policy rigorously so it must be clear and fit for purpose. The St Michael's policy is vague in some areas.	
	The policy needs to be one that the board all agrees with. Decision made – The board accepted this proposal. Action - The policy will be reviewed and presented at the next FGB meeting – RC to draft a policy and the Clerk to put on the agenda	RC & Clerk
	There were two policies not circulated for review at this meeting. They will be presented at the next FGB: • Sex and Relationships policy	HLB &
	ICT policy Action: Sex and Relationships policy and ICT policy for review at the next FGB	Clerk
		-

13. School issues and confirmations

Any safeguarding or bullying and racist incidents since last meeting?

Safeguarding – There are ongoing safeguarding cases that HLB has referred to in the HT report.

Staff safeguarding training up to date? HLB confirmed that there is one outstanding who will complete their training tomorrow (21.06.2024)

Governor Safeguarding training up to date? The clerk confirmed that all governor safeguarding training has been completed.

Prevent training – HLB and RG do not have their training listed on Gov Hub. HLB confirmed that it is recorded on the SCR but they will update their Gov Hub record.

The clerk also confirmed that all governor DBS and Section 28 checks have been carried out.

There have been 3 x suspensions since the last FGB meeting. HLB gave a brief summary of the reasons.

HLB informed the board that the most recent signed copy of the SCR is physically printed and kept in the school office as per requirements.

No bullying or racist incidences to report.

Health and Safety: Since the last FGB meeting, two pupils have fallen and injured themselves in the playground playing football. HLB explained that the circumstances have been investigated but no particular hazard or risk has been identified as being at fault. They were accidents.

GDPR: Breaches since the last meeting.

There were none.

14. Governance issues and confirmations

Governor vacancies (Foundation Gov x 1 & Co-opted Gov x 1, Parent Governor x 1)

AP's term of office expires 31.08.2024

AP has agreed to stand for another term although attending some in person meetings may be difficult due to weekly schedule.

AP left the meeting for the board to discuss and vote on re-election.

Decision made – The board elected AP for another 4 year term as co-opted governor

Other governor vacancies – It was agreed to look at recruitment to these posts in the new academic year and in line with academy requirements.

Updated Governor Training Log -

Action: Governors to check their training record is up to date

ALL

15. Post FGB communication

Newsletter – Action: Newsletter to be prepared by SH

SH

Action: Letter of thanks to SS (School Business Manager) from the board

Action: Message of thanks to be conveyed from the board to the St Michael's staff team for their part played in the outcome of the parent survey feedback
